**JUNIOR TRAVELING LEAGUE**

The junior bowlers have a scratch traveling league called the "West Side Junior Traveling League" which bowls on Thursday afternoons at 4:30 Windsor Bowl and Tropicana are each represented by a team in this league. All the others have two teams and they are Gable House, La Tisera, South Bay, Jefferson, Bowl-O-Drome, and Imperial. Windsor is in first place but close behind is Gable's No. 2 team. Gable's boys on this team are Danny Burnham, 179; Glen Sells, 176; and Barry Kaslick, 167. Team 1 for Gable has Bruce Fleming, 183; Dave Matosky, 161; and Rudy Beltram, 171; they are in sixth place.

These boys will be bowling today at the Tropicana Lanes but will be at Gable House next week, March 2. Try and plan to see these exciting youngsters bowl sometime soon.

**GABLE GAB**

There will be another spare pick-up class at 1 o'clock today, ladies. I don't know what Jerry Homel has planned for us, but you can be sure it will be fun and informative.

Ruth Caudle, president of the 50 & Over Bowling Club told me that the club is going to have a King and Queen contest this Sunday, February 26. Watch for pictures and names of the winners.

The Gable House Bowl Association had their first tournament last Sunday. The winners of trophies and honors are as follows: first place, women, J. Etcheverry; first place, men, Lystone; consolation prize, women, Lee Stidham; consolation prize, men, Bob Alderman. These bowlers really looked sharp in their new black association shirts.

Note: What certain man bowler at Gable who carries a 150-160 average, rolled a 99, 106, 127-322 series last Thursday night in the 850 scratch league? Anyone knowing the answer better keep it a secret, huh, Jerry?

**Warriors Stage Fourth Practice Game of Season**

With baseball season rolling at El Camino College, the Warriors travel to L.A. State Friday, for their fourth practice game of the pre-season. ECC will go into the contest with a 23-man roster including nine pitchers. Coach Freeman's Indian are shaping up into a solid nine with several power hitters jammed at the batting order.

The Warriors also boast a strong bench with depth at every position. So far reserves have delivered consistent base hits in the pinch.

Freeman's club is marching into a rugged 35-game schedule, perhaps the roughest of any junior college in the Southland. El Camino is booked to play USC, UCLA, and UC at Santa Barbara two times each.

Probable starters against LA State are Gary Shoop, of Inglewood; Frank Raia, ss, Inglewood; Bob Thompson, rf, Inglewood; Dundee Jones, 1b, Redondo Beach; Bob Guy, lf, Hawthorne; John Ranslem, 3b, Gardena; Grant Newton, 2b, Hawthorne, and Dave Marsden, c, Torrance.

**Top Dragsters Head Card at LADS**

Cream of the drag-race world from three sectors of the nation, driving gas dragsters in both single and twin-engine categories, will roar at Lions Associated Drag Strip in winter championships this weekend.

The two-day meet on the 223rd St. blacktop will feature single-engine duels for a \$500 top eliminator prize Saturday (afternoon - evening), and twin-engine championships Sunday (day long), with all comers going for another

overall top eliminator and another \$500, said manager Mickey Thompson.

Thompson (world speed king with Challenger 1) will compete in the Sunday sprints, with his new, dual Pontiac screamer. The Mick expects at least 35 to 40 gas dragsters will be in an array of over 400 vehicles.

Outland invaders are expected to include such as Ed Garlits, Tampa, Fla., and Jack Moss with his dual-engine rail.

**Foster Out for Third Win at Gardena Sunday**

"Wild" Bill Foster, San Fernando, will be out for his third win of the season this Sunday at Gardena's Western Speedway in the 30 lap CJA Stock Car main event over the third-mile clay oval.

Foster, who pilots a speedy Oldsmobile, took his second win of the year in last week's feature. He will face over fifty top Stock Car pilots in the nine event program which begins at 2:30 p.m., preceded by time trials at 1 p.m.

Formidable competition will come from Norwalk's Jim Cook and Arley Scranton of Compton. Both also drive Oldsmobiles, one of the most popular makes of racing cars, although nine other makes are represented. Western Speedway is located at 139th St. and Western Avenue in Gardena.
